

MaryAnn needs my red ribbon for her hair

1. INT. ART CLASSROOM - MEDIUM LONG SHOT

Lisa, Kelly, in foreground painting Christmas Dance posters. Other kids in background have a poster in front of them but they're just gossiping, not getting anything done. Kelly keeps turning around to listen. Lisa's really the only one getting work done.

3a. MEDIUM SHOT - LISA & KELLY

Kelly dunks her paintbrush into the yellow paint. Brush emerges as a glob. As Kelly pays attention to the gossip behind her, she turns so she's holding the brush over Lisa's shorts. Yellow paint accidentally drips onto Lisa's shorts.

2a. CLOSE SHOT - SHORTS

Yellow paint drips onto shorts.

4a. MEDIUM CLOSE SHOT - KELLY

Oops! Kelly grabs a paper towel, but that's already covered in paint.

3b. MEDIUM SHOT - LISA & KELLY

Kelly tries to figure out what to do and decides to carefully paint a yellow stripe over it, trying not to disturb Lisa.

2b. CLOSE SHOT - SHORTS

A nice yellow stripe is painted.

3c. MEDIUM SHOT - LISA & KELLY

Kelly looks at Lisa's shorts for a moment, looks around, sees the blue paint and decides the shorts also need a blue stripe.

Kelly paints a blue stripe without disturbing Lisa. The kids in the background are gossiping and looking at Lisa. Kelly suddenly hears them and strains to listen more closely.

5a. MEDIUM CLOSE SHOT - OTHER KIDS

Gossiping, looking at Lisa. Oooo.

4b. MEDIUM CLOSE SHOT - KELLY

Kelly listens a little more. Lisa keeps concentrating on the poster.

3d. MEDIUM SHOT - LISA & KELLY

Kelly hears something juicy and turns to Lisa.

KELLY (whispering)  
Did you hear? Jeff Bufone is going to ask you to  
the Christmas Dance.

LISA (happy surprise)  
Really?

KELLY  
I heard Michelle Smith tell Michelle Beutin she  
heard Mark telling Jason that Jeff Bufone is  
going to ask you to the Christmas Dance.

Huh? No longer happy.

LISA  
That doesn't sound very reliable. Are you sure?

KELLY (unsure)  
I think so?

6a. MEDIUM CLOSE SHOT - LISA  
Lisa is skeptical.

7a. MEDIUM CLOSE SHOT - MRS HOPPER  
Kelly paints more stripes on Lisa's shorts. Mrs. Hopper walks in.

MRS. HOPPER  
Let's wrap this up, everyone. Time to lock the  
doors for the evening.

Kelly gets up and pick up her backpack and gets out of there fast  
before Lisa notices her shorts.

KELLY  
Bye!

The rest of the kids get up and leave fast. Lisa watches them...

7b. MEDIUM CLOSE SHOT - MRS HOPPER  
The last kid walks past.

MRS. HOPPER  
Luke! Kelly! Pick up this mess! \*Sigh\* They can't  
hear me.

8a. MEDIUM SHOT - MRS HOPPER & LISA (will we have chandelier problem?)  
Lisa gets up. Mrs. Hopper looks at Lisa's shorts.

MRS. HOPPER

What did you do to your shorts?

Lisa looks at her shorts, confused. Hm. She sort of likes this design.

LISA

Cool.

She picks up a brush and paints stripes on the other leg.

Mrs. Hopper laughs. Lisa puts on her skirt. Mrs. Hopper helps her pick up the supplies.
